

# Support Hood River County Schools

## Quality Schools WITHOUT Higher Taxes

### What's at Stake:

An important school funding measure will be on the May 15th election ballot.

### Voting YES on the Local Option Operating Levy 14-61 will help:

- Protect core academic programs, electives and classroom staff at every school in the district.
- Maintain a full school year.
- Support engineering, arts, music, computer science and athletic programs.
- Continue career-technical and advanced placement courses.
- Provide an average 23% Oregon state match of local option funds for our district, approximately \$560,000 per year.

While other school districts have been forced to cut school days and core programs, our local option levy has provided the funds to keep our schools strong.

### A YES vote is critical for the kids of Hood River County.

## Vote Yes for Schools!

**IMPORTANT**  
**A YES vote**  
**does not increase**  
**the tax rate.**

### How Can You Help?

- Spread the word to vote YES.
- Post a lawn sign.
- Include your name in endorsement ads.
- Contribute to the Campaign. Donations may be made on our website, or by mailing a check to:
